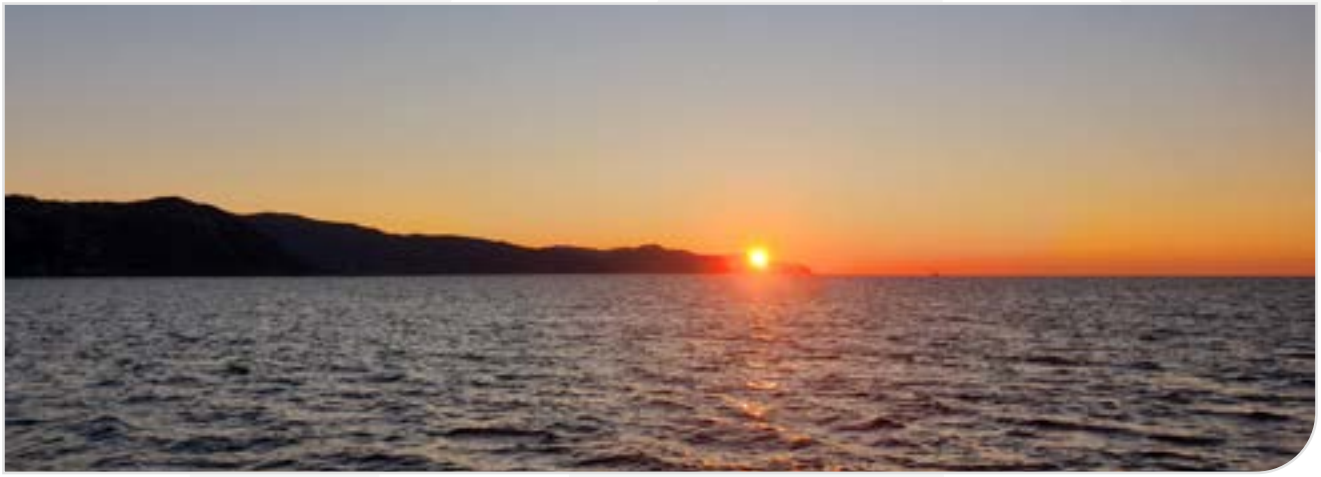
**Splendida** canna per la pesca dalla barca, principalmente indicata per il ***jigging*** utilizzando proprio le esche della gamma "***Abyss Kabura***", ma altrettanto valida anche per un ***bolentino leggero***. E' in ***carbonio alto modulo*** ed equipaggiata ***Fuji***, con passanti ***low-rider*** in ***Alconite***, inscalfibili nel tempo, porta mulinello sagomato in graphite ed impugnatura in neoprene.

Specially designed for ***jig fishing*** with the lures of the "***Abyss Kabura***" range, this ***superb boat*** road is equally ***perfect*** for ***bottom fishing***. It is built on a ***high modulus carbon*** blank and finished with ***Fuji*** fittings: hard-wearing, scratch-resistant ***Alconite low-rider guides***, moulded graphite reel seat and neoprene handle.



## ESPOSITORI CANNE
