**tino leggero.** E' in **carbonio alto modulo** ed equipaggiata **Fuji**, con passanti **low-rider** in **Alconite**, inscalfibili nel tempo, porta mulinello sagomato in graphite ed impugnatura in neoprene.

■ **Splendida** canna per la pesca dalla barca, principalmente indicata per il **jigging** utilizzando proprio le esche della gamma **"Abyss Kabura"**, ma altrettanto valida anche per un **bolentino leggero**.

■ Specially designed for **jig fishing** with the lures of the **"Abyss Kabura"** range, this **superb boat** rod is equally **perfect** for **bottom fishing**. It is built on a **high modulus carbon** blank and finished with **Fuji** fittings: hard-wearing, scratch-resistant **Alconite low-rider guides**, moulded graphite reel seat and neoprene handle.
